One of our challenges in connecting the Agile community in central Virginia is reaching people we don't know.

So, who do you know?

Please help us reach others interested in Agile by forwarding this email.

This is another in Agile Richmond's continuing series of learning and growth opportunities. Agile Richmond is a professional non-profit organization of people in the Richmond, Virginia area committed to Agile and Lean practices. We are committed to providing opportunities for our community to share knowledge, excitement and learning about Lean and Agile in both theory and practice.
